**THE ART SHOW** and Bazaar 1965 is history. From the flashing balloon drop on Friday night to the swinging teen dance at the North Berkeley Beauty pool booth Sunday night, it was packed with beautiful weather, and crowds and no trouble.

**MAYOR LEW HOWELL** had been assured he would not have to climb a ladder to release the balloons for the opening ceremony. Then the Oakland Tribune photographer persuaded him to climb part-way up for a better picture. As it turned out, Lew's face was obliterated by the smoke-ejector, so anyone could see he performed the ladder bit.

**AS ENTERTAINMENT** chairman, this writer was almost caught in her own trap. Standing beside the fire truck, immediately under the net holding the balloons, camera at ready, we were horrified to see the balloons drifting straight down. (They were supposed to sail merrily over the show, thanks to the prementioned smoke ejector—Chief Gerald Browne said.) Anyway, the crowd pushed forward to grab the balloons and there was no place to move. The people were on three sides and the truck in front. We were caught by elbows, knees and flying feet as the thundering herd squealing humanity descended, reaching frantically for the balloons. And to think we named it! Back to the old drawing board.

**FRANTIC FRIDAY** had other serious moments. The teenage models, Coordinator Jeanne Mcadden, her helpers, the clothes

## Art Show, Bazaar Opening Night Crowd

THIS IS A sectional view of the crowd waiting for opening ceremonies at 7 p.m. Friday night at the third annual Art Show and Merchants Bazaar in Memorial Park. High temperatures and clear skies over the weekend were partially responsible for the record turnout at this year's show. There was no fog on any of the three nights of the bazaar.

## Albany Schools Open Monday Morning, Sept. 13

Vacation days will be over for 2,500 Albany students as school doors open Monday morning, Sept. 13. Slight increases in school enrollments this year are anticipated by school officials although final figures must await the arrival of all families of married students who will be living in University Village.

At the elementary level, new state textbooks in modern mathematics are to be used in the Albany schools for the first time. "However," stated Supt. Kenneth M. Forry, "there should be a minimum of adjustment for pupils and teachers to these new texts because the Albany schools were among the first in the state to

The citizens of Albany were shocked and saddened Monday to learn of the death of Diane Louise Gerrish, 19, daughter of Mr. and Mrs. Grant Gerrish of 1042 Peralta.

A 1964 graduate of Albany High School, Diane had been attending North Berkeley Beauty school.

She disappeared from her home on Friday night and her body was found early Monday morning at the San Francisco Presidio. The FBI is investigating the cruel murder.

## Art, Bazaar Trophies Won by Carl Broderick, Sr. League

Harold Olson presented Ellis-Olson mortuary trophies for the Art Show and Merchants Bazaar Sunday night to Carl Broderick of Novato, voted the most popular artist participating in the show, and to Albany Senior Little League and Albany Tire, judged the most popular booth.

Broderick, whose exhibit was near the main stage, specializes in detailed oils of old houses. The Senior Little League had a Dunkin'-manager booth in which customers threw balls at a tripping device in an attempt to drop a team manager or coach into a tank of water.

Everyone attending the three-day show was invited to select

his favorite artist and booth. When ballots were counted, Broderick and Senior League were winners. Raymond Howell of Brisbane was second most popular artist and Helen Guay of Berkeley was third. Second most popular booth was Albany Republican Assembly, which offered tacos, corn on the cob, homemade cake and beverages. Third most popular was a garden display by Flowerland Nursery.

**Other Prizes**  
Chamber of Commerce Vice President Joe Dagna announced the five winners from the Guide Dogs for the Blind booth, sponsored by Mechanics Bank.

Christine Marphopoulos of San Francisco won top prize, an original oil painting by N. L. Caputi. Handcrafted copper and porcelain pendants were won by Ruth A. Putterbaugh of Richmond and Donald A. Curry of Berkeley.

Mrs. Eldon Parr of Albany won a handcrafted copper and porcelain ash tray, and Gray Miner of Albany won two tickets to the Vacaville road races.

As a feature of both Saturday and Sunday nights, Call Brothers Jewelers auctioned a number of items including watches for men and women, a transistor radio, sets of silver service, vacuum cleaner and steam and dry iron. Twenty-five per cent of the proceeds were turned back to the show. One of the best auction customers was Chairman Barry Rinnion, who bought three watches and a set of silverware.

**Public Hearing on Cornell Area Rezoning Sept. 14**  
The Planning and Zoning commission will hold a public hearing in the Council chambers at City Hall at 8 p.m. Tuesday, Sept. 14, on rezoning of the general area of Cornell school, presently zoned R-2 and

limited to two-family dwellings without a use permit but larger if a use permit is granted.

A legal notice appears in today's issue of the Times describing the areas involved and the proposed modifications of the present zoning ordinance.

## Council Okays Variance Permit for Ellis-Olson's

Albany City Council Monday night followed the lead of the Planning and Zoning commission and unanimously granted the request by Harold W. and May Ellis Olson for a variance at 716-718 Kains, reducing setback to five feet for a garage and storage area for Ellis-Olson mortuary at 727 San Pablo Ave.

Councilman George Hein said the commercial expansion area had not been utilized as quickly as he had hoped, expressed pleasure at the granting of the variance to the mortuary.

There were no oral or written protests at either Planning and Zoning or Council level.

In a half-hour session, Mayor Lewis Howell and Councilmen Joe Egenberger and Hein zipped through a relatively brief agenda. Councilman Joel Parker is on vacation and Councilman Richard Clark on a brief military leave. Back from vacations were Administrative Officer James B. Turner and City Clerk Myrtle J. McLean.

W. A. Ranchetto of the California State Automobile Association resented the Pedestrian Safety Award to Mayor Howell, stating Albany has had its 2nd consecutive year without a pedestrian fatality. The plaque will be presented to the police department.

Councilman Egenberger made into the form of a motion his gratitude to the association for its interest in pedestrian safety. The motion passed.

Councilman Hein moved that

## SENIOR CITIZENS

846 Masonic Ave.

One of the high lights of the past week was the talk illustrated by slides, by Mrs. John Christensen on her recent safari to Africa. Many of the pictures of ferocious wild animals were taken within a distance of 15 feet. These were interesting as were many pictures of places and people.

Two of these were of the palace home of Haile Selassie, Emperor of Ethiopia and a picture of the Aswan Dam showing Nasser escorting Khrushchev at the time of Khrushchev's visit there. Mrs. Christensen related many things about the habits and desires of the African people. One of these was that they want prestige, but do not want to work for it. Sounds familiar.

Those who went on the trip to Tiburon with "Dinner on the Deck," report a good time. The weather was perfect, the town interesting and last but not least, the dinner was delicious and bountiful. The trip was made via San Rafael and Richmond bridge and the return by way of the Golden Gate and Oakland Bay bridges.

A new trip is planned for the future. This is labeled Jade Journey. Call trip chairman Minnie Ingraham at 525-3078 for information.

We are all familiar with the old saying, "All work and no play makes Jack a dull boy," so in the most of pleasure let us not forget the work to be done

on Wednesdays from 10 a.m. to 5 p.m. for the bazaar on Oct. 20, and the community service work from 10 a.m. to 5 p.m. on Fridays.

Have you noticed the new fence around the pre-school quarters? We are proud of it. One of our seniors, Herp Healy, assisted with it.

Do not forget the business meeting on Tuesday, Sept. 7. Be there as there may be matters you want to discuss. Call 526-1601 for information.

### "WAREHOUSES"

If a person regularly consumes more calories than he uses, he will be overweight. The Alameda County Heart Association points out that when the supply exceeds the demand, the body stores it up in what you might call "warehouses" of fat — double-chin, spare-tire at the waist, middle-age spread. Check with your doctor, and your mirror, to be sure you are not using these "warehouses."

the police department was adopted. He said the plainclothes officers do jeopardize their clothing in activities such as the recent attempt to stop troop trains in Albany. Mayor Howell agreed that police officials do not have "ordinary use of a suit of clothing."

Council was gratified to receive resolutions passed by Albany post 292, American Legion, and the Albany Republican Assembly (printed elsewhere) commending them for their stand on the pickets who attempted to stop the troop train.

Two communications were read and filed. The first, from M. J. Downey of 1121 Evelyn, objected to Councilmen interfering in the affairs of the library. The second, from W. L. Crowe of 1070 Ordway, favored Council action on Fact Magazine and the Lucky 13 club.

Council authorized City Treasurer Marietta B. Ferreira to refund \$392 to Pacific Racing association. This represented overpayment of taxes to the city. It referred to City Attorney Larry Saler and he insurance carrier a summons for a \$4,000 damage suit against the city filed by Jessie L. James.

Under Good of the City, Council passed an emergency amendment to the ordinance requiring wet sandblasting in the city. The amendment sets forth that sandblasting may be done only when the City Engineer is on duty to police the project, 8 a.m. to 5 p.m., Monday through Friday. The request for the action was made by Mrs. Kathe Zahn, who said sandblasting noise and dust are disturbing people's weekends in her area on Santa Fe.

Councilman Egenberger moved that the matter be referred to Turner for recommendation, but Turner said he was familiar with the problem, "which would certainly appear to justify action." Egenberger withdrew his original motion and moved that the attorney prepare an emergency ordinance. This passed.

Council does not meet next Monday, Labor Day. It will meet at 8 p.m. Tuesday, Sept. 7.

**Parliamentary Procedure Programs Set**

Women interested in parliamentary procedure and interested in the aims of Toastmistress are cordially invited to attend. For further information contact Mrs. Paul Christensen of Richmond, 223-2193, or Mrs. Stephen Garlinghouse, 940 Adams St., Albany, 526-4161.

**Pipestone, Minn. Picnic Sept. 12**

The 19th annual Pipestone (Minn.) and Vicinity Picnic will be held Sunday, Sept. 12, in Camp Sycamore at Stevens Creek Park, San Jose, Calif., from 10 a.m. to 5 p.m. A pot luck dinner will be served at 1 p.m. Those attending are to bring their own table service, sandwiches and casserole, salad or cake. Coffee will be furnished.

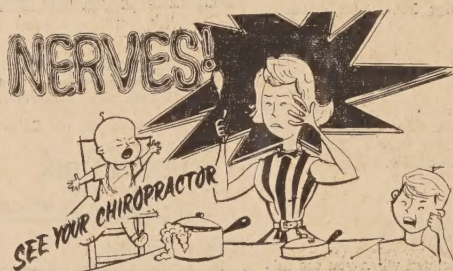

Bring the family, including friends, and enjoy this annual outing by renewing old acquaintances and meeting others from Pipestone and vicinity.

from the Gay Shop and Doug Maples arrived for the fashion show at 8. We had been promised two trailers for dressing rooms, but only one had arrived and the performers from DuMont's show, then on stage, were using it. The fashion show folks proved to be real trouper as they set about "building" an open air dressing room of large pieces of cardboard. Then somebody spotted a high school portable immediately behind the stage. Perfect! But how to get into it. No answer at Superintendent Ken Forry's or Principal Harry Price's houses. School Board Chairman Charles Pinkham was sympathetic but had no key. Turned out Larry Eaton, who had been bustling around all the time, is on the school staff, had a key

and was willing to open the portable on Pinkham's kind of tentative O.K. The day was saved, the show went on and retroactive permission was received from Harry the next day, but it was terribly traumatic.

**ON THURSDAY**, George Floderio of Albany Tire gave his booth to Albany Senior Little League. The league people were thrilled to death, couldn't decide what to do at that late date. When Elmer Holm suggested a Dunk-the-Manager stunt, they started looking for kiddie swimming pools or something to use. Late Thursday night, they were still pondering. Somehow they found

**A RELATIVELY SMALL** group of Albany volunteers put on this third annual show. They planned it, put it up, kept it going and tore it down. Working in a booth is child's play compared to the physical effort expended by those who performed this labor of love. (It had to be a labor of love because they received no pay.) Cholesterol is a fatty substance found in many foods in varying degrees—but also manufactured by the body. The Alameda County Heart Association says it is one of many fatty substances transported by the blood. A diet which is reduced in fats and which substitutes a substantial amount of liquid vegetable oils for solid animal fats tends to lower the amount of cholesterol in the blood. Research scientists have found an association between high levels of cholesterol and hardening of the arteries.

## Barry Runion Thanks Those Who Helped

Barry Runion, Jr., chairman of the third annual Albany Art Show and Merchants' Bazaar, has expressed his thanks to those who worked on the show.

"For the first time, the show was the product of all-volunteer labor," he said. "According to comments we have heard, the 1965 show was a success. We believe it will be a financial success as well. Expenses have been kept to a minimum."

The chairman paid tribute to his committee, each of whom was in charge of one phase of the show but who participated in other areas as well. These committee heads included Dr. Arthur Longpre, electrical; Eldon Wolf, stage; Robert Luoma, physical arrangements; Bill Johnson, hostesses; Mrs. Larry Baum, booths; Judy Moss, artists; Rosemary Leigh, decorations; Dorothy Larimer, program and publicity; Gil Freels, security.

Among others who physically assisted were John Thomsen, Larry Baum, Elmer Holm, Dave McCollum, Todd Leigh, Jim Robbins, Herb Letin, Cy Rankin, Ken Lettrich, Gene Warren, Jim Taylor, Larry Belote, Don Mulky, Galen Wolf, Philip Santos, Art and Henry Ramires, Jim Villa, Ron Epps, Ken Stickney, Joe Carlevaro, Ralph Jensen, Allan Vincent, Tony Michel, Frank Wheeler, John Freels, Paul Shoemaker, Tiny Kampe, Greg McArthur and Chamber Manager Neal Clarity.

The Park and Recreation Department washed and painted the booths, conducted the pet show and provided chairs, as did Albany YMCA.

Runion made special mention of the lovely young Albany girls who served as gracious hostesses for the show and Ellis-Olson Mortuary, which provided trophies for the most popular booth and artist.

## MOUNTAIN DRIVING TIPS FOR A HAPPY LABOR DAY

The National Automobile Club reports thousands of California motorists are expected to drive to the Sierras seeking relaxation and recreation during the long Labor Day weekend.

California's largest statewide automobile club advises motorists to be particularly alert when driving through mountainous regions. Special adaptation is required to meet unusual driving conditions.

Enjoy a safe and "uneventful" motoring holiday, and follow these professional mountain driving hints, urges NAC:

1. Keep well to the right side of the highway, especially on curves. Many drivers have a tendency to crowd the center line.

2. Shift to a lower gear when going down a steep grade. Allowing the gears to assist in braking saves wear and tear on brake linings.

3. Pass only when you have clear visibility. If you have no opportunity to pass a slower-moving vehicle, be patient. Most mountain roads have turnout and designated passing areas.

4. Watch your car's temperature gauge. Water boils faster at high altitudes. If the engine does overheat, pull off the road, stop and allow time for cooling.

## Jean and Bob Petersen Honored at Bon Voyage

Jean and Bob Peterson

—Lennox Photo.

"Bon Voyage" was wished to Jean and Bob Petersen at a cocktail party on Saturday, Aug. 28, hosted by Harold W. and May Olson. Bob is a nephew of Mrs. Olson and Jean is associated with her at the Ellis-Olson mortuary.

The Petersens leave Sept. 4 on a six-week tour of Amsterdam, Paris, Rome, Naples, Pompeii, Vienna, Munich, Frankfurt, then on to the Rhine to Düsseldorf, covering territory Petersen knew during WWII. They then fly to Copenhagen to meet friends, Mr. and Mrs. Carroll C. Cassill, and continue to Oslo together. The next three weeks will be spent traveling through England and Scotland and visiting Mrs. Petersen's family in England. They will close their journey with a medieval castle tour in Ireland.

The color scheme for the party was purple, with large flower arrangements in that shade. The table was appropriately decorated with a world globe and interesting dolls in native costume, gathered by Mrs. Olson over the past few years. A "Bon Voyage basket" tied with a big purple bow, received the gifts.

## Traffic Tags

by  
Officer Robert Buck

A sampling of 1964 national traffic accident facts:

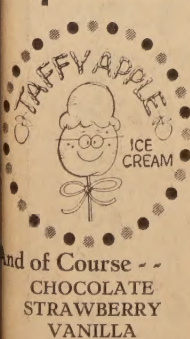

Deaths ..... 47,700  
Injuries ..... 1,700,000  
Costs ..... \$8,100,000,000  
Motor vehicle mileage ... 840,000,000,000

**REED:**  
"Speed too fast," which includes speed too fast for conditions, was a contributing factor in 77 per cent of all FATAL accidents in 1964.

In statewide INJURY accidents, speed was the principal contributing factor.

Speed does not always mean mph. It can also mean 30 mph, or less, in a congested area on certain weather conditions. MORE THAN HALF OF ALL FATAL ACCIDENTS IN URBAN AREAS OCCURRED AT SPEEDS UNDER 30 mph.

## National American Legion Urges Action on Train Pickets

Urging strict enforcement of the laws concerning movement of troops and supplies, the National Convention of the American Legion, meeting in Portland Aug. 24-26, passed the following resolution as drafted by Malcolm Champlin of Oakland:

Resolution No. 572 (Americanism Convention Committee) — Subject: "Protest groups and individuals who trespass upon railroad and other property to block movement of troop trains.

WHEREAS, Certain groups and individuals have tried to stop trains loaded with troops, and ships loaded with supplies, for Vietnam, and

WHEREAS, these groups and individuals have trespassed upon railroad and other property to lie upon the tracks and block the movement of troop trains, climb on the trains, unhook the cars, etc., to prevent the arrival of the trains at the port of embarkation, and

WHEREAS, These groups have been particularly active in Berkeley, California, and have been led and encouraged by certain professors on the scene and in active leadership, all with vast propaganda beneficial to our enemies, and

WHEREAS, Among the last contact with the U.S. before going into combat, the troops hear the word, "sucker," and similar comment shouted at them and they must remain silent and remain on the train, and

WHEREAS, There are now on the statute books of the Federal Government, the States and the local governments, criminal statutes which make such conduct unlawful and criminal, and

WHEREAS, failure to enforce the law in Berkeley, in San Francisco, or anywhere else in the United States of America simply

breeds contempt of the law and guarantees future violations and possibly future bloodshed wherever troop trains move in the U.S. and wherever ships are loaded,

NOW, THEREFORE, BE IT RESOLVED, By The American Legion in National Convention assembled in Portland, Oregon, August 24-26, 1965, that:

1. It request and expect of the duly constituted authorities strict enforcement of the laws concerning movement of troops and supplies.

2. It request and expect prompt arrest of violators of the law whether it be one person, one hundred or one thousand.

3. It request and expect that the laws be respected and enforced in order that we may continue to live in a free country ruled by law and not by men.

4. It request and expect prompt action to prevent the exaggeration of these incidents to make them appear of vast importance in the world-wide propaganda efforts of the Communist Party and the Viet Cong.

### AVOID TOO MUCH FAT

A moderate amount of fat in the diet is good and even necessary for health. But, the Alameda County Heart Association says too much fat is to be avoided because it can lead to overweight. Many heart doctors consider obesity the most widespread health hazard in this land of plenty.

SHOW OFF PRESCHOOL TRAIN — Standing before the latest addition to Albany Pre-School at 850 Masonic ave. from left, President Angel Wright, Director Nell Curran and Chairman of Repairs Irene Petrel, whose summer work committee built and installed the train. —Times photo.

### Pre-School Open; New Officers Take Over for Coming Year

Albany Pre-School has opened for the fall session and new officers and board members are taking over their duties.

Angel Wright is new president. Other officers include Laila Conlin, vice president; Barbara Hil-

debrant, secretary; Jacqueline Sears, treasurer; Shirley McDonald, health chairman; Irene Petrel, repairs chairman; Betty Hoadley and Freida Conkle, social chairmen; Harriet Salem, ways and means; Doris Chambers, publicity; Susan Lewis, hos-

pitality; Mary Anderson, budget; Margaret Buck, auditor, and Lee Ross, parliamentarian.

Mrs. Nell Curran, director of the school, has expressed appreciation to city crews who installed a new drainage line, put up a frame for a plastic covering on the porch and did much badly-needed plumbing and electrical repairs and improvements this summer.

### First Annual Children's Pet Show 'Yowling Success'

The first annual Albany Recreation Department Children's Pet Show was held Saturday at the Memorial Park baseball diamond, a feature of the Art Show and Merchants' Bazaar. Sixty entrants vied for trophies, prizes, ribbons, and cash certificates donated by local merchants.

Twenty-three dogs, ranging from Great Danes to Chihuahuas, with many poodles, pekinese, shepherds, and just dogs, were judged for size, grooming, longest ears, cuteness, and behavior.

The cat entries were also numerous and of all sizes, shapes and colors. One little girl opened a covered box to expose an array of kittens from which the judges "could take their pick." She wound up a winner, for how can you go wrong with a dozen kittens to choose from?

In the category of "all other animals" the variety included: trained fly, newts, terrapin turtles, duck, rabbits, hamsters, fish, but, alas, no jaguar.

Trophies awarded were: the best groomed dog, Lori Davis's peke; most well behaved, Tanya Zekon's cat, "Tiger;" and what in at least one judge's mind was the most unusual pet of the show, Lloyd Hawkinson's well trained fly, "Hercules." Lloyd had his fly do acrobatics, cartwheels, and an array of breath taking stunts.

The weather was ideal for the show and the enthusiasm shown by the many child entrants was most gratifying and the Recreation Department is looking forward for next year's annual Children's Pet Show.

Here are the winners of ribbons:

First through third places listed in order: LARGEST DOG: Theresa Priele, Great Dane, Ranook; Lynn Berling, poodle, Lollipop; and Peggy Meyers, Labrador, Bonnie.

MOST BEAUTIFUL DOG: Lori Davis, Pekinese, Little Mo; Brad Drennan, poodle, Yonkel; Adrienne Ormsby, poodle, Poule.

SMALLEST DOG: Raecine Alvarado, Chihuahua, Senior; Teddy Smith, Australian Shepherd, Tinker; Sherry Rynnion, Chihuahua, Bridget.

CUTEST PUPPY: Carl Trent, Boxer; Stephanie McCracken, Collie, Neopolitan; Kevin Smith, Australian Shepherd, Princess.

LONGEST EARS: Sally Smyre, Cocker Spaniel, Leanne; Bob Rose, poodle, Major; Kathy Cochagan, poodle, Maurice.

JUST DOG: Eddie Samples, Bonnie; Tommy Rodgers, Ginger; Adrienne Ormsby, Poule and Beebe.

MOST COMICAL DOG: Tommy Drennan, Pug, Polly; Jim Smith, Australian Shepherd, Dutchie; Bruce Stark, Cocker, Peanuts.

BEST GROOMED DOG: trophy to Lori Davis with Little Mo.

BEST PERFORMING DOG: Bruce Stark with Peanuts and Tommy Rodgers with Ginger.

BEST BEHAVED DOG: trophy to Peggy Myers with Bonnie.

LARGEST CAT: Tanya Zekon, Tiger; Terri Barrozo, Happy II; Jana Sears, Soo Ling.

MOST UNIQUE PET: Bruce Besette, newt, Nikki; Jack Moody, duck, Flatfoot; athy D' Aluto, rabbit, Fluffy.

The Recreation Department gave each entry a participation ribbon. Special prizes were donated by Petland and Park and Shop Market.

### Legion Post 292 Commends Council, Police Department

Albany post 292, American Legion, at its Aug. 25 board meeting, passed two resolutions regarding the attempt to stop troop trains here on Aug. 12.

The first, directed to Mayor Lewis M. Howell and members of Albany City Council, reads:

THAT, Albany Post No. 292 commends the Mayor and the City Council for backing and commending their city's Police Department for the prompt, effective and efficient way the police handled a MOB of persons who invaded Albany with the intent of stopping or unlawfully interfering with an A.T. & S.F. R.R. troop train carrying U.S. armed force personnel through the City of Albany to the Oakland Army Terminal Aug. 12. . . .

Because of the efficient, courageous action taken by Albany Police Department, a train was conducted through the city without serious interference with or stoppage by the MOB. Albany by the MOB. Successful. An American salute to the Albany Police.

The citizens of Albany can take pride in their City Council and Police Department in taking action to support the United States of America and our President, who need the support of every LOYAL AMERICAN CITIZEN.

### Pre-Registration In All Schools This Week

Pupils new to the Albany schools should pre-register this week. Albany High School, Marin, and Cornell School offices will be open from 9 a.m. to 3:30 p.m. Vista School will handle registrations in the morning only and MacGregor in the afternoon only.

All new children from University Village will be registered at Cornell School. School officials strongly urge that all new kindergarten children be registered at this time so that adequate facilities can be provided and delays in attendance be eliminated.

New kindergarten youngsters must be five years of age on or before Dec. 2 of this year (1965). Parents should bring child's birth certificate, evidence of polio immunization, both of which are legal requirements, and be prepared to fill out health forms.

Questions concerning registration procedures can be answered by calling the school administration offices, 326-6441.
